Experience the Degree of Master Mason in the
Emulation Work

5 September, A.D. 2016 - A.L.6016

We cordially invite all Master Masons to attend a very special evening with our guests, Canterbury Lodge No. 1635, chartered by the United Grand Lodge of England. They will exemplify the Master Mason degree in the Emulation ritual. Although English lodges have the choice to practice a variety of rituals, Emulation is the most popular.

At this august event, we are receiving our Grand Master and Deputy Grand Master, Most Worshipful David Perry and Right Worshipful John Heisner, who will lead us in giving an early toast to the 300th anniversary of our ancient and honorable fraternity.

Following the ceremony, we will join with our families, friends, Fellowcrafts and Entered Apprentices for a traditional Thanksgiving – style dinner. The cost is \$25.00 per Mason.

Spouses and guests will dine gratis.

The event will begin at 4:00 p.m. at the Pasadena Masonic Temple
200 S. Euclid Ave Pasadena, CA.

Business attire, please

Please RSVP immediately as this event is sure to sell out!
